

TOWN OF HOLDERNESS TRANSFER STATION

CONSTRUCTION AND DEMOLITION DEBRIS POLICY GUIDELINE Effective July 1, 2009

1. Construction and Demolition debris will no longer be accepted from construction contractors/builders or commercial haulers (non-MSW) at the Holderness Transfer Station. This includes; roofers, builders, remodelers, demolition contractors and others.
2. C & D will be accepted for a fee from the following: all property owners/renters with a valid facility sticker; handymen and property maintenance companies who typically dispose of an average of one standard wheelbarrow full of C&D per week and who are working at a property located in the town of Holderness.
3. Any special circumstances or requests for a wavier or exception to these guidelines are to be addressed to the Town Administrator or Board of Selectmen.
